SEEDSMEN

6857 S. State St.

STewart 5962

CHICAGO, ILL.
Vegetable Seed Trials
JUN 14 1932

Chicago, Ill., March, 1932.

TO OUR FRIENDS:

It is a pleasure to submit herewith our Price List for your consideration. The seeds offered herein have all been grown by reliable American and European growers, and no effort has been spared to obtain the highest quality. We handle nothing we do not believe to be the best. We recommend our stocks with confidence as suitable for the most critical grower.

We thank you for your patronage in the past and hope to be favored with a liberal share of your business.

Yours very truly,

SLUIS & CO., *Inc.*

JOHN J. VAN WYK

SIEBE SLUIS

PAYMENT: To our old customers we are extending the same terms as they are accustomed to. Cash or satisfactory reference must accompany orders from unknown correspondents.

DISCOUNT: We allow on general Spring orders amounting to \$10.00 or more a discount of 10 percent (10%) if paid before April 1st; a discount of 5 percent (5%) if paid before June 1st; a discount of 2 percent (2%) if paid before August 1st. After August 1st we do not allow any discounts.

The above mentioned discounts are applicable to Garden seeds only.

SHIPMENT: All goods for out-of-town customers are delivered from Chicago Depot and we prepay the freight on such shipments if the bill amounts to at least \$20.00 and consists of a general list of Garden Seeds. This does not include shipment of Onion Sets, Seed Potatoes, Field Seeds, Garden Tools and Fertilizers. The freight on such goods is for account of buyer and the goods travel for account of buyers and our responsibility ceases upon receipt of clear Bill of Lading from carrier.

We use the utmost care in buying our seeds and send out only seeds that will, to the best of our belief, give entire satisfaction, but it must, however, be distinctly understood that we give no warranty, express or implied, as to the description, quality, productiveness, or any other matter of any seeds, bulbs or plants we sell, and we will not be in any way responsible for the crop produced from same.
